The following is a brief list of reminders for this year's goat projects:

- Students will either pen individual or with a pen mate, depending on space available.

- All equipment, feed, and supplies needed will be discussed during goat camp.
- Each student will be allocated (1) locker for their feed/supplies. (Lockers & pens will be assigned by Miss Wohl)

All Fall Challenge goats will be acquired by Ms. Wohl. This rule is intended to make sure that all goats are of the same blood lines and students start on as much of an equal playing field as possible.
